As a Local VIRTUS Coordinator, what do my VIRTUS Online responsibilities include?

1. Assisting your Diocesan VIRTUS Coordinator with duties that can be performed at the local (parish, school, etc.) level.

2. Managing the registrations and user information of employees and volunteers that belong to your organization. This is done by:
   a. Encouraging your attendees to PRE-REGISTER (register online before the Protecting God's Children Class) via the VIRTUS Online website.
   b. For all attendees who did NOT register online before their class, make sure that they go online and register after their class, or that you collect their info and enter it yourself (i.e. user has no internet access)

3. Scheduling Protecting God's Children Training sessions in the VIRTUS Online system.

4. Help distribute and document continued training information to those individuals who are required to continue training, but do not have access to the Internet.

5. Help ensure that your organization is compliant with the USCCB Guidelines.

PLEASE NOTE:

Always check with your VIRTUS Coordinator for details on your exact responsibilities. However, all Local Virtus Coordinators need to work closely with Facilitators and his or her Diocesan Virtus Coordinator, to ensure that all attendees have registered online either before or after the class. You will only be able to view information for attendees who have registered for a class in YOUR Parish or Organization, or a particular scope of attendees established by your Coordinator. You will not be able to see information from other Facilitator sessions, unless you are involved with the presentation of the class. The Diocesan Virtus Coordinator will be responsible for the final approval all user registrations.
What resources exist for Local VIRTUS Coordinators on the VIRTUS Online Website?

3. Each user’s status will be displayed on the far right column. A user can be in one of three states – Pre-registered, Awaiting Approval, and User.
   - A Pre-Registered User is someone who has registered but not yet attended a class
   - An Awaiting Approval User is someone who has already attended a class, but has yet to be approved by your Diocesan Virtus Coordinator.
