Office of the Bishop

June 1, 2024

Dear Sisters and Brothers in Christ:

In the summer of 2003, the Diocese of Victoria promulgated a groundbreaking program for the protection of children, youth, and adults. Under the guidance of the bishop, a group of professionals developed a safe environment program that recognized and proclaimed that the Church must first be a protector of all God's children. Our diocesan safe environment program was born of the Catholic belief that we are each called to protect those who are most vulnerable.

As bishop of the Diocese of Victoria, I am committed to ensuring that all who serve in ministry in our parishes and schools do so with the strongest moral values and integrity. In doing so, we become active protectors of minors and the vulnerable from preventable harm. Agents of the church, including volunteers working in any ministry, program, or organization that serves minors and vulnerable adults in any manner, or who functions at a time and place where minors are typically present, at any parish, catholic school, or diocesan location, are required to maintain Safe Environment compliance.

Safe Environment compliance consists of two components: the submission of an online application/background check, which permits the diocese to run a background check or fingerprint checks in the case of school employees; and participation in a Safe Environment training every three years. Additional information may also be found on the diocesan website.

Our Safe Environment Children's Program also provides age appropriate and doctrinally sound education to our youth. Education of our young people strengthens them by providing tools for them to use as they mature into strong, healthy members of our church family.

As you participate in this process, you join more than 10,000 people in our diocese who have made a commitment to ensure the safety of children and vulnerable people in our parishes and Catholic schools. I am grateful for the many ways you live your baptismal call by offering your time and gifts to the service of God's people. It is through the efforts and collaboration of priests, deacons, religious men and women, employees, and lay ministers and volunteers that we are able to serve those who are entrusted to us and to lead them in the ways of faith.

Let's keep each other in prayer.

Most Reverend Brendan J. Cahill, S.T.D.

Persons 18 years of age or older who:

- habitually lack the use of reason, who are uniquely vulnerable to abuse because of physical or mental disabilities, and/or
- because of physical, mental, developmental, emotional or cognitive impairment, or the effects of recent life experiences are presently unable to exercise a reasonable adult’s degree of physical or emotional independence or mental insight and judgement,

Visit the Texas Council for Developmental Disabilities website <http://tcdd.texas.gov/> for the full definition of developmental disability.

G. Misconduct

Misconduct includes, but is not limited to, the behaviors noted below:

1. **Immoral conduct:** Conduct that is contrary to the discipline and teachings of the Roman Catholic Church and which may result in scandal to the faithful or harm to the ministry of the Roman Catholic Church. Agents of the church are expected to act in ways that promote the best interest of the organization. They are not to engage in, directly or indirectly, either on or off the job, in any conduct which is disloyal, disruptive, damaging to the organization, or contrary to the teachings of the Roman Catholic Church. **Refer to page 35 for reporting process.**
2. **Harassment:** The illegitimate and offensive use of power where the purpose or the effect is to create a hostile, intimidating, or offensive work environment.
 - a. Physical harassment: Includes unwanted physical touching, contact, assault, deliberate intimidating interference, including impeding or blocking movements with normal work or movement.
 - b. Sexual harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.
 - c. Verbal harassment: Includes derogatory comments, jokes, or slurs towards an employee. This can also include belligerent or threatening words spoken to an agent of the church.
 - d. Visual harassment: Includes derogatory, demeaning, or inflammatory posters, cartoons, written words, drawings, novelties, or gestures.
3. **Exploitation:** Taking advantage of a person or relationship for the self-serving benefit of the service or ministry provider.
4. **Boundary violations:** A set of behaviors concerning role, time, place, space, money, gifts, services, clothing, language, self-disclosure and physical contact. Diocesan guidance is clear that agents of the

church must not use their positions to establish or pursue a sexual or improper emotional relationship with a minor; they must treat minors with dignity and must protect minors from risk of harm posed by the conduct of another agent of the church. The safety of minors is paramount. If one has concerns about an agent of the church, it is necessary to immediately report it to the proper chain of command.

5. **Grooming:** An act of deliberately establishing an emotional connection with a minor to prepare the minor for abuse. “Grooming” is undertaken usually to carry out sexual abuse and/or other exploitation such as human trafficking, prostitution and pornography.

H. Abuse

Abuse includes, but is not limited to, the behaviors noted below:

1. **Abuse:** Abuse includes physical abuse, sexual abuse, and emotional abuse. **Refer to page 39 for reporting procedures.**
2. **Sexual abuse:** Any contact of a sexual nature that occurs between an adult and a minor or between adults in a relationship where one party takes sexual advantage of the other, which is intended to produce sexual stimulation of the perpetrator. This includes, but is not limited to, sexual exploitation, sexual assault, fondling, making a minor watch sex acts or pornography, sexual physical contact, or using a minor in any aspect of the production of pornography. Sexual abuse also includes a minor who exerts power over another minor.
3. **Physical abuse:** Any non-accidental injury or trauma, by way of bodily contact, that is intentionally inflicted upon a person.
4. **Emotional abuse:** Any mental or emotional injury that results in an observable and material impairment in the person’s growth, development, or psychological functioning.
5. **Neglect:** The responsible person’s failure to provide for a person’s basic needs, or the failure to protect a person from harm.
6. **Child pornography:** Agents of the church will NOT possess, intentionally access, download or distribute child pornography. “Child pornography” means any visual depiction, including any photograph, film, video, picture, or computer or computer-generated image or picture, whether made or produced by electronic, mechanical, or other means, of sexually explicit conduct, where the production of such visual depiction involves the use of a minor engaging in sexually explicit conduct; such visual depiction is a digital image, computer image, or computer-generated image that is, or is indistinguishable from, that of a minor engaging in sexually explicit conduct; or such visual depiction has been created, adapted, or modified to appear that an identifiable minor is engaging in sexually explicit conduct.

Principles of Safe Environment and the Diocesan Code of Conduct

Relationships among people are a foundation of Christian ministry and are central to Catholic life. Defining healthy and safe relationships is not meant to undermine the strength and importance of personal contact or the ministerial role. Healthy and safe relationships assist those who hold positions in the Church to demonstrate their love and compassion for children and adults in the most sincere and genuine relationships.

It is the intention of the diocese that relationships in ministry be experienced at all times as charitable and without intention to do harm or allow harm to occur. Therefore, the following Code of Conduct has been adopted. Agents of the Church are asked to carefully consider each standard in the code and within these policies before agreeing to adhere to the standards and continue in service to the diocese.

Code of Conduct

Those *who serve in ministry* in the DOV will, in their ministry and personal lives:

- exhibit the highest Christian ethical standards and personal integrity;
- conduct themselves in a moral manner that is consistent with the discipline, norms and teachings of the Catholic Church;
- support an environment that is free from harassment and does not take advantage of counseling, supervisory, or authoritative relationships;
- provide a professional work environment that is free from physical, psychological, written, or verbal intimidation or harassment;
- not act in an abusive or neglectful manner;
- avoid taking unfair advantage of a relationship for the benefit of themselves;
- accept their personal responsibility in the protection of minors from all forms of abuse;
- adhere to the requirements of the laws of the State of Texas regarding the reporting of any suspected/known abuse of a minor;
- share concerns about suspicious or inappropriate behavior with their pastor, their principal, the vicars general, the superintendent of Catholic Schools, or the bishop; and
- follow the diocesan policies regarding SE.

Guidelines for Ethical Behavior and Integrity in Ministry

Agents of the church enjoy a public trust and confidence. It is essential that they view their own actions and intentions objectively to assure that no observer has grounds to believe that immoral conduct exists. They have a responsibility to strive to uphold ethical behavior in their day-to-day work and personal lives. This expectation of ethical behavior exists for both “in person” and “virtual” interactions (which would encompass online, electronic communications, and social media).

A. Definitions

1. **“Ethical behavior”** is behavior that is consistent with the morals and teachings of the Catholic Church. It is fundamental to the mission of the diocese that agents of the church exhibit the highest ethical behavior.
2. **“Integrity”** is characterized by honesty, soundness of judgment and sincerity of manner. Agents of the Church are expected to maintain a high standard of integrity and an environment free from harassment.
3. **“Scandal”** is an attitude or behavior which leads another to do evil. Scandal damages virtue and integrity. It is a grave offense if, by deed or omission, another is deliberately led into a grave offense (*Catechism of the Catholic Church*, No. 2284).

B. Prohibited Conduct

Agents of the church may not engage in unethical or immoral conduct (or that which gives the appearance of such), and should report unethical or immoral conduct by those with whom they work. Examples include, but are not limited to:

- intimidation;
- harassment (including, but not limited to racial, ethnic, religious or gender/sexual-based insults, jokes, slurs, or displays of offensive materials);
- exploitation;
- breach of confidentiality;
- conflict of interest;
- physical or emotional abuse or neglect;
- sexual advances, exploitation, or sexual abuse;
- actions which are disruptive to the ministry and public worship;

- procurement or participation in the procurement of abortion, committing homicide, or euthanasia;
- acquisition, possession and/or distribution of child and/or adult pornographic material;
- adultery, promiscuity or co-habitation;
- at any time, during the supervision of minors, possess or be under the influence of alcohol;
- pose health risk to others;
- humiliate, ridicule, threaten, or degrade;
- use profanity in the presence of minors;
- touch a minor in a sexual or other inappropriate manner;
- stealing or any other form of theft; including misappropriation of church/school funds;
- assaultive behavior or fighting;
- harming the reputation of others by disclosing, without legitimate cause, the faults or failings of others to persons who have no cause to know them; or
- making false allegations against another.

C. Pastoral Standards

Conduct for pastoral counselors and spiritual directors

1. Pastoral counselors and spiritual directors must respect the rights and advance the welfare of each person.
2. Pastoral counselors and spiritual directors must not step beyond their competence in counseling situations and will refer clients to other professionals when appropriate.
3. Pastoral counselors and spiritual directors should carefully consider the possible consequences before entering into a counseling relationship with someone with whom they have a pre-existing relationship (e.g., employee, professional colleague, friend, or other pre-existing relationship).
4. Pastoral counselors and spiritual directors should not audiotape or videotape sessions.
5. Pastoral counselors and spiritual directors must never engage in sexual intimacies with the persons they counsel. This includes consensual and nonconsensual contact, forced physical contact, and inappropriate sexual comments.
6. Pastoral counselors and spiritual directors must not engage in sexual intimacies with individuals who are close to the client—such as relatives or friends of the client—when there is a risk of exploitation or potential harm to the client. Pastoral counselors and spiritual directors should presume that the potential for exploitation or harm exists in such intimate relationships.

7. Pastoral counselors and spiritual directors assume the full burden of responsibility for establishing and maintaining clear, appropriate boundaries in all counseling and counseling related relationships.
8. Counseling sessions should be conducted in appropriate settings at appropriate times.
 - a. No sessions should be conducted in private living quarters.
 - b. Sessions should not be held at places or times that would tend to cause confusion about the nature of the relationship for the person being counseled.
9. Pastoral counselors and spiritual directors will maintain a log of the times and places of sessions with each person being counseled.
10. Pastoral counselors and spiritual directors will comply with all state and federal laws regarding child pornography.
11. Pastoral counselors and spiritual directors will respect confidentiality set forth in the code of ethics in their profession or other relevant document.

Guidelines for Work or Service in Ministry with Minors

Individuals who work or provide service in church/school ministry with minors **in relationship to any ministry, program, or organization that serves youth in any manner, or which functions at a time and place where minors are typically present must be SE compliant.**

A. Screening of Those Who Work or Serve in Ministry with Minors

A POTENTIAL “AGENT OF THE CHURCH” MAY NOT BEGIN A DOV POSITION WITHOUT APPROVED CLEARANCE by the OFFICE OF SAFE ENVIRONMENT and the local SE site administrator.

A potential agent of the church must adhere to the following SE Compliance guidelines:

1. Submission (one-time) of the SE online application/background check
 - a. PRIOR to beginning a position with the DOV, an approved clearance of potential agent of the church must be received by the Office of Safe Environment and the local SE site administrator.
 - b. Potential school employees (and others who are required, at the request of the pastor/principal, bishop, chancellor/other authorized individuals) must also submit to a fingerprint check. PRIOR to beginning a school employment (and/or other required) position with the DOV, the fingerprint check approved clearance by the Office of Safe Environment and the local SE site administrator must be received
2. The potential agent of the church **MUST** complete the ***required training*** PRIOR to beginning school employment or volunteer position.

The SE background/fingerprint check clearance, SE training compliance, and adherence to the Safe Environment policy are required for continued employment in the DOV.

A person who is compliant upon background or fingerprint check clearance must complete the required SE training PRIOR to beginning employment and MUST remain compliant.

3. Without exception, **all agents of the church must submit an SE online application/background check**. This creates the applicant's SE account and permits the diocese to conduct a background check to include a criminal background check, arrest records check, abuse registry check, and driving record check (for the State of Texas or any other US state where the applicant has resided) for the purposes of employment or volunteer services.
 - a. The employment age for the DOV is 18 years of age.
 - b. Employees of companies that provide contract services (e.g., plumbers, building/HVAC repairs) are to be intermittently monitored when on parish or school property and are encouraged to be segregated from minors and, therefore, are not required to complete the SE process to provide such a service.
 - c. DOV Catholic Schools are required to screen contract service employees using the School Visitor Management System when minors are present.
4. Applicants may not begin volunteer work or service in ministry with a minor without background/fingerprint check clearance AND training.

Applicants new to this diocese, wishing to serve in ministry here, must complete/submit the required Diocese of Victoria SE online application/background check.

- a. Misrepresentation, falsification, or omission is cause for rejection of the SE application.
 - i. Dismissal from parish/school involvement may also occur in the event new disqualifying crimes are found during the online application/background re-check process.
5. **Analysis of results/disqualifying offenses.** Individuals **convicted or individuals who presently have charges** of certain crimes *may be* prohibited from being assigned, employed, or engaged as a volunteer for the diocese, its parishes, or its schools.
- a. **Convictions of Certain Crimes:** These crimes include, but are not limited to: capital murder; first degree murder; second degree murder; manslaughter; sexual assault; kidnapping; incest; endangering the welfare of a child or vulnerable person; indecent exposure or lewdness in the presence of a minor; prostitution; child pornography and child exploitation. *If a background check reveals that a person has been convicted of such a crime, the bishop or his designee will notify the hiring authority that the person is not qualified to work or volunteer.*

- i. Exceptions, requested on behalf of the applicant and in accordance with the appeal process, can be made on rare occasions. All exceptions must be reviewed and approved by either the bishop or his designee.
 - b. **Convictions of other crimes, accusations or investigations of child abuse, and other types of misconduct:** Individuals convicted of other crimes involving moral turpitude, including, but not limited to drug-related crimes, assault and battery, theft, fraud, and perjury, and individuals found to have engaged in sexual harassment, sexual exploitation, or other misconduct or offense involving moral turpitude, may also be disqualified from service or ministry within the church. The relationship between the crime or offense and the position with the church, and evidence of rehabilitation will be considered if an appeal is made by the applicant.
 - c. **A registered sex offender, who had a minor victim, may not come onto school campus without express permission of the principal and/or pastor.** (Art. 62.064. ENTRY ONTO SCHOOL PREMISES; NOTICE REQUIRED. (a) In this article: (1) "Premises" means a building or portion of a building and the grounds on which the building is located, including any public or private driveway, street, sidewalk or walkway, parking lot, or parking garage on the grounds. (2) "School" has the meaning assigned by Section [481.134](#), Health and Safety Code. (b) A person subject to registration under this chapter who enters the premises of any school in this state during the standard operating hours of the school shall immediately notify the administrative office of the school of the person's presence on the premises of the school and the person's registration status under this chapter.) The DOV requires the school office to provide a SE compliant adult chaperone to accompany the person while the person is on the premises. This policy also includes parish visits during regularly scheduled religious education programs. **THIS POLICY DOES NOT SUPERSEDE STATE MANDATES, RESTRICTIONS, OR PROBATIONS.** Texas law prohibits sex offenders who had a minor victim, who are on probation, parole, or mandatory supervision from living in or visiting a residence within 500 feet of a child safety zone. This includes schools, day care facilities, parks, playgrounds, youth centers, sports field, and more.
 - d. **Appeal process:** Individuals who apply and are not accepted for employment and/or volunteer positions will have the right of appeal as set forth in the appeal process.
 - i. The applicant will be notified of the initial decision.
 - ii. Upon written request for reconsideration, the applicant may provide a letter regarding explanation of circumstances, verification of expungement, references, etc., to the bishop or his designee. The letter must be written and postmarked within 10 days of the receipt of the letter of non-acceptance. At the discretion of the bishop or his designee, the applicant may be reconsidered for employment or volunteer positions. Results of reconsideration will be mailed to the applicant.
 - iii. All reconsideration decisions will be made by the bishop or his designee, and the decisions are final, unless otherwise notated.
6. In the case of new or recently registered parish/school persons and those who are unknown to the parish/school community, reference checks and/or in-person interviews are strongly recommended.

7. Agents of the church may transfer their SE account from one parish or school within the diocese to another within the diocese and should update their SE account in the VIRTUS database to reflect their site change and any other information that has changed. The new SE site administrator will review the account to verify SE compliance (approved background check result and current training date) *before* any agent of the church begins service at the new site.
 - a. Verification of prior background checks and SE training from another diocese *does not* satisfy SE requirements for the DOV.
8. Background checks are automatically repeated every three years through the SE system. No action is required by the applicant to facilitate this process.
 - a. In the case of individuals who have been fingerprinted, fingerprint checks remain effective for as long as the applicant remains in active ministry.
If, at any point, an applicant is “inactive” for non-activity, the process must begin anew.
9. Termination of a parish and/or school employee: Consultation with the human resources coordinator must precede (come before) termination, and the final decision will be made or rendered by the diocesan Business Manager/Chief Financial Officer.

B. Training of Those Who Work or Serve in Ministry with Minors

SE compliance consists of two parts: submission (one-time) of the SE online application/background check and attendance at a SE workshop every three years.

1. **Without exception, all agents of the church must attend the SE online training after submitting the SE online application/background check PRIOR to serving in ministry with minors.**

C. Standards for Interactions with Minors

The following are standards regarding interactions with minors in church-sponsored programs. They are not necessarily designed or intended to address interactions within families.

1. Appropriate contact between adults and minors constitutes a positive part of church life and ministry. Examples of appropriate contact with minors include, but are not limited to:
 - a. verbal praise;
 - b. brief side hugs or arm around the shoulder;
 - c. brief pat on the shoulder or upper back;
 - d. hand-shakes, “high-fives”, knuckle bumps or hand slaps;
 - e. brief touching of hand, face, head, shoulder or arm of minor;
 - f. holding hands while walking with small children;
 - g. sitting beside small children;
 - h. kneeling or bending down for a brief hug with small children;

- i. holding hands during prayer;
 - j. using a minor's home or family phone number for calls or messages to minors;
 - k. copying parents or other adult leaders of the program or ministry on all e-mails, texts or postings to minors (although the technology method can be different);
 - l. using parish or school phones and e-mail addresses to contact minors;
 - m. instructing minors to contact adult leaders via a parish or school phone number, and e-mail address, etc.;
 - n. ensuring at least two adults from the parish or school moderate any social network site; passwords and site names should be available to parish or school leadership; and
 - o. securing permission of parents or legal guardians before posting photos of minors or details of ministry or program activities on any electronic media (identifying information such as names or tags, home address, etc. should never be used).
2. In order to maintain the safest possible environment, examples of contact with minors that are not to be used in church programs include, but are not limited to:
- a. long or inappropriate embraces;
 - b. kisses on the mouth;
 - c. holding minors on the lap or in one's arms, and holding younger minors should only be "as needed" (e.g. for comfort)
 - d. touching knees, legs, buttocks, chests or genital areas;
 - e. being alone in isolated areas such as closets, staff-only areas or other private rooms;
 - f. touching or playing with hair of a minor;
 - g. being on a bed with a minor (unless designated as "seating space" during daytime hours);
 - h. wrestling with minors, tickling minors or piggyback rides;
 - i. any type of massage, whether given by minor to adult or adult to minor;
 - j. any form of unwanted affection;
 - k. comments that relate to physique, body development, express affection or involve other boundary violations (this includes comments that are positive or negative, oral or written via any form of media);
 - l. inviting or accepting minors to be "friends, fans, etc." on personal social networking sites; and
 - m. texting or calling, or using social media or approved networking sites, for personal or parish, school or diocesan communications with minors without parents/guardians included in messages. *(Note: Even on personal sites not intended for ministry work, church personnel should be aware and careful of the types of things posted).*
3. Abuse and neglect of minors is contrary to the teachings of the Church and is prohibited. Church personnel have a responsibility to protect minors from all forms of abuse and neglect. Examples of prohibited behaviors include, but are not limited to:

- a. the use of physical discipline, including spanking, slapping, pinching, hitting, or any other physical force for behavior management of a minor;
 - b. swearing at a minor, or speaking to a minor in a way that is harsh, threatening, intimidating, shaming, derogatory, demeaning or humiliating;
 - c. neglecting or physically, emotionally or sexually abusing a minor;
 - d. encouraging a minor to violate the law;
 - e. offering alcohol, tobacco or vaping products, illegal drugs or pornography to a minor;
 - f. inviting a minor to the private accommodations or residence of clergy, teachers or any adult supervisor without the presence of parent or legal guardian, or another program minister; or,
 - g. engaging in the following when in the presence of minors:
 - i. swearing or using vulgar language;
 - ii. being under the influence of alcohol;
 - iii. using, possessing or being under the influence of illegal drugs;
 - iv. possessing or displaying sexually oriented or immoral printed or electronic materials (e.g. magazines, videos, films, clothing or internet sites);
 - v. discussing sexual activities or engaging in sexually oriented conversations with minors unless the conversation is part of a legitimate lesson and discussion for teenagers regarding human sexuality issues (On such occasions, the lessons will convey to youth the Church's teachings on these topics and unanswered or unaddressed questions will be referred to the parent or guardian for clarification or counseling.);
 - vi. undressing or being nude;
 - vii. taking a shower with a minor;
 - viii. sleeping in the same bed, sleeping bag or tent with a minor, unless the adult is a parent/guardian of the minor.
4. Agents of the church who commit a prohibited behavior as outlined in these policies are subject to disciplinary action and may be suspended or excluded from ministry in the diocese.
5. Agents of the church are required to complete an Adult Emergency Contact Form (See **Appendix 1**).

D. Guidelines for Personal Safety for Grades PK-12th Grade

The Catholic Church and our bishops strongly believe that the parent(s) is/are the first teacher(s) of the faith to their own child(ren), including issues related to abuse and abuse prevention. In support of these efforts, the diocese has selected appropriate programs for our children and our youth to help them learn the basic concepts of personal safety in regard to sexual abuse.

The diocese provides annual abuse prevention and recognition training to minors as required by the Charter for the Protection of Children and Young People (Article 12). The diocese is audited on this requirement annually by third parties of the United States Conference of Catholic Bishops. Each year, each parish, mission (if applicable) and Catholic school in the diocese must provide the *approved Children's Program* for PK-12th grade students. Parents that decide not to allow their child(ren) to attend the required Children's Program may sign an opt-out waiver and assume the responsibility of educating their child(ren) about this topic.

E. Minors Who Assist in Ministry

1. The opportunity for minors (9th-12th grade) to serve in a volunteer capacity within their parish or school is an important part of their Catholic education and a foundation for the beginning of a life of Catholic stewardship. When parishes provide opportunities for young people to share their time and talent in supervised ministerial settings as “helpers” (e.g., VBS, catechetical helpers, lunch buddies, retreat leaders, etc.), it is required that minors serving in this capacity attend the *Youth Code of Conduct (YCC)* program.
2. When a person turns 18 years of age, he/she are required to complete the SE process in order to serve, or continue to serve, in ministry to other minors.
 - a. A member of a youth ministry group that turns 18 prior to high school graduation, does not need to complete the SE process. These members will be given a grace period for summer retreats/events.

A. Supervision of Programs that Involve Minors

1. Program supervision and monitoring guidelines (on-site and day trips)

- a. Required minor ratios must always be met. See chart below:

<u>Number of Minors</u>	<u>Number of SE Compliant Required Adults</u>
1-30	2
31-40	3
41-50	4
51-60	5
61-70	6
71-80	7
81+	Per Formula

- i. Agents of the church volunteering/working/supervising a program or event involving elementary school aged (PreK- 5th grade) minors must be 18+ years of age and SE compliant.
- ii. Agents of the church volunteering/working/supervising a program or event involving jr. high and high school-aged (6th -12th grade) minors must be 21+ years of age and SE compliant.
- iii. An adult must avoid being alone with one minor or vulnerable person. If there is need for a confidential discussion, it should occur in a location that is in view of others.
- iv. All Catholic school classrooms, per TCCB-ED guidelines, must have at least one SE-compliant adult, and the principal or designee should be actively monitoring classrooms throughout the day. All other volunteers, aides, helpers, etc., must be SE compliant and age appropriate.
- v. Off-site school events and after-school programs will follow all standards required by SE ratio guidelines.
- vi. Minor youth volunteers serving in volunteer/helper roles cannot be counted as adults in the ratio guidelines but must be counted as a minor in the ratio count.

viii. NOTES:

- As Catholic school teachers typically have more training and experience supervising larger groups of students than is required of volunteers for most parish programs or events, school classroom ratios may vary.
 - State licensed day care programs must follow all SE ratios, or state ratios, if more stringent than SE ratios.
 - In addition, all programs or events for special needs vulnerable adults also require a licensed medical professional to be present for the length of the program or event.
- b. Minors will be released only to parents, legal guardians and, upon written permission, other adults designated by parents, or legal guardians at the end of program or event. When there is a question about the propriety of releasing a minor, the immediate supervisor should be contacted before releasing the child.

2. Off-site events and chaperone guidelines (overnight trips)

- a. Those involved in the supervision and transportation of minors for an off-site event must comply with the following:
- i. Any off-site event that involves minors will be supervised by the **required SE compliant adult ratio**. For minors, co-ed events should include male and female chaperones in proportion to the minors attending. The following ratios apply:

Detailed Co-Ed Ratio Chart can be found in Appendix 11.

Example of Co-Ed required SE ratios for events:

44 high school students attend an overnight event. Out of the 44 students, 21 are female and 23 are male.

<u>Number of Students</u>	<u>Student Gender</u>	<u># of Required SE Compliant Chaperones</u>	<u>Required Chaperone Gender</u>
21	Female	2	Female
23	Male	2	Male

- ii. Minors serving in volunteer/helper roles cannot be counted as adults in the ratio guidelines but must be included in the number of minors who require chaperones.
- iii. Minors should only be transported with written permission of the parent or legal guardian.
- iv. Due to DOV's insurance policy, vans with a manufacturer's rated seating capacity of 11- 15 passenger vans may not be used for transportation.

- v. Chaperones assigned to transport minors must be at least 21 years old (proof of valid driver's license, completed DOV required transportation paperwork and insurance must be documented at the parish/school for each driver).
 - vi. When private vehicles are used to transport minors, a transportation plan should be provided to the driver to include route, pre-arranged stops and contact information for the vehicle occupants. No extra stops should be made unless approved by the director of the program, or the stop is out of necessity (e.g., fueling the vehicle, emergency first aid, restroom stop, etc.).
3. Parish or school leaders should be aware of the programs for minors that are sponsored by the parish or school. A list of these programs should be maintained by the parish or school and include activities, purpose, sponsors or coordinators of the programs, names of program volunteers, meeting times, and locations. The parish pastor or school principal should review these programs annually to determine whether they have adequate supervision, and the local SE site administrator should verify SE compliance of volunteers.
 - a. All new programs and media for minors should be reviewed and approved by the pastor or principal.
 4. Parents may observe programs and activities in which their children are involved at any time, in the role of parent rather than volunteer (e.g., join their child for lunch/classroom, attend Mass and school events, etc.). Parents who desire to have continuous, ongoing contact or volunteer with their child's school or parish function(s), program(s)/event(s) or activities, are required to complete the SE process.
 5. Multi-age organizations and ministries present particular challenges when the age span within the group is greater than a few years, and for those groups that include older teens and young adults.
 - a. Students in grades 9-12 in "mentor/helper" roles with younger children, must attend the Youth Code of Conduct (YCC) training, and are to be supervised by the SE-compliant adults responsible for the ministry.
 - b. Group members who turn 18 years of age during the youth ministry year who do not serve in any leadership role within the youth ministry program nor serve in any other ministry at the parish, may remain "classified" as minors for attendance and membership purposes until the end of the youth ministry year.
 - c. The diocese prohibits minors in any supervisory-type position.
 - d. Minors cannot be counted as chaperones in supervision ratios.

B. Required Documents and Record Retention

1. The youth ministry leader/parish catechetical leader must have received signed Parental/Guardian Permission and Medical Consent Forms for all youth that participate in events on and off of parish property. These forms must be updated annually. Visiting youth must complete an emergency contact information form. See **Appendix 2.**

 - b. Time/date
 - c. Location of the event
 - d. Phone number of the facility
 - e. Lead adult responsible for the parish/school group
 - f. Cell phone number of lead adult
 - g. Planned activities

4. Medication:
 - a. A Medication Log must be kept for any medication, prescription or over-the-counter, given to any youth during an event. The Medication Log must be kept in a locked file after the event. See **Appendix 4**.
 - b. Medication may be dispensed only by the designated/authorized adult in accordance with written instructions provided on the Medical Release Form by the parent/guardian. See **Appendix 5**.
 - c. Do not administer medication of any kind without checking the Medical Release Form for written parental/guardian permission, allergies or other medical conditions.
 - d. All medications should be labeled in their appropriate prescription or over the counter (OTC) bottles and should be surrendered to the designated/authorized adult prior to start of event. Minors may not be in the possession of the medication unless absolutely necessary. (Examples: Insulin, Asthma Inhalers or an Epinephrine Pen)

5. Record retention: All permission and Medical Release Forms, Medication Logs, and Incident Report Forms must be kept on file for a minimum of 3 years past the activity date(s) or until the student leaves the institution.
6. Record of attendance must be kept for every event/class. If there is ever a question of the attendance of a minor at a particular event, attendance sheets will be monitored. Parishes and schools should set up procedures to notify parents of minor non-attendance by minors at an event for which the minor is registered or anticipated to attend.
 - a. Agents of the church must remember that their responsibility to and for minors exists from the time of arrival until the time of departure from parish and/or school events. This includes BOTH on and off-site events.

C. Events and Retreats

1. Overnight lodging logistics should be planned, and the details and information communicated to parent or legal guardian.
 - a. A minor may not spend the night in the private accommodations or residence of clergy, teachers, or any adult supervisor.

 - iii. All sleeping areas should be segregated between adults and minors, taking appropriate supervision of minors into consideration.
 - c. In larger lodging rooms or cabins housing many minors, chaperones may sleep, if necessary, in the room on a cot or separate bed next to the doorway. Otherwise, chaperones should sleep in a nearby space and take turns monitoring minors' quarters.
 - d. Hotel rooms: chaperones may not stay in the same room with a minor or minors. All rooms should be on the same floor with chaperone rooms on either side of minors' rooms. Chaperones should conduct overnight room or hall checks.
 - i. A parent may stay in a room with his/her own child, but no other minors.

2. Use of private homes for minor activities: Parish and/or school events/meetings/gatherings/activities may not be held at a private home at any time UNLESS the pastor/principal has given written permission to do so. The permission must be granted for each event/meeting/gathering/activity.
3. Confidentiality: Adult leaders respect confidentiality, yet are not held to confidentiality in the same way as ordained ministers and licensed, certified counselors.
 - a. In cases of confidentiality issues, inform the minor at the beginning of the dialogue that confidentiality will be kept, unless the minor is threatening to harm himself/herself or others or there is a legal duty to disclose information that is shared. In times when parental/guardian involvement is needed, share with the young person that you will continue to be of support.
4. Water safety: Certified lifeguard(s) must be present when swimming at a pool, public or private, a lake, creek, river, at the beach, or water recreational venues.
